Change of Status

As most of you know by now, UWO has approved an initiative whereby a Postdoc, in consultation with her/his Supervisor, can decide whether it is appropriate for him or her to become a temporary employee at Western (Postdoctoral Associate) or remain as an independent Contractor (Postdoctoral Fellow). An outline for this process as well as the forms needed to confirm or change the postdoc status are found at the [Human Resources website](#).

The forms need to be returned to Human Resources by December 3rd. If you didn't get the chance to attend one of the information sessions organized by Human Resources, bring your questions / concerns to the General Meeting, so we can help you.
